

Maine West School Improvement Plan 2009-2010

Goal #1 – Literacy: To expand the use of research-based best-practices in literacy instruction to adequately improve performance in all learning areas, specifically for IEP, LEP and Special Education students.

Goal #2 – Numeracy: To expand the use of research-based best-practices in math instruction to adequately improve performance in all learning areas, specifically for IEP, LEP, and Special Education students.

Goal #3: Student/Parent Involvement: To increase student and parent involvement in the Maine West Community.
