MAINE TOWNSHIP DISTRICT 207 PRESCHOOL PROCEDURES

Thank you for your interest in the Maine Township District 207 Preschool Program. Registration for fall will be accepted through March 31. Residency requirements listed below will no longer take priority following the registration deadline. Please fill out the application and return it to one of the addresses listed at the bottom. Please do not include money with the application form. Upon acceptance, you will receive information detailing registration fees and payment procedures.

I. ENROLLMENT

As an integral part of the Family and Consumer Sciences curriculum, the Child Care Occupations/Preschool course is designed to provide a lab school experience for enrolled high school students. Preschool children may participate in the district preschool program for one year and may repeat the program if they have not yet turned 5. No enrollment priority will be given to siblings of former or current preschool participants. Children who participate in the lab school are eligible for enrollment according to the following order of criteria.

1. Three years old by September 1 (current school year).
2. Child must be potty trained.
3. Legal resident of school attendance area.
4. Legal resident of District 207 attendance area.
5. Children of District 207 employees living outside the District 207 attendance area.
6. Reside outside of District 207 attendance area.

For example, three-year-old children who apply before March 31 and reside in the school attendance area have priority over those that live in the District 207 area.

II. FEES

The preschool program fee is \$300.00 per school year. This fee covers snacks and supplies. It is non-refundable if for any reason the enrolled child should discontinue attendance at any time during the year.

III. SCHEDULE

Our typical schedule will be 2 hours a day, 3 days a week. The preschool program must adapt to the flexible nature of the high school schedule; therefore, cancellations and/or changes in the daily schedule may occur. Parents will be informed as far in advance as possible.

IV. CONTACTS

For more information, contact any of the following Child Care Directors listed below:

Maine East: Michelle Meyer mmeyer@maine207.org (847) 692-8348

Maine South: Chris Joyce cjoyce@maine207.org (847) 692-8541
